FAITH DECLARATIONS

PROVERBS 18:21; PSALM 107:2

Joel Osteen deserves full appreciation from the Body of Christ for the contribution of his faith perspective. I am indebted to him for his daily online devotionals [Today's Word with Joel & Victoria] which have helped me build 'faith muscles' and develop a personal Faith Perspective in reading the Bible and in all areas of my life.

For the past few years, my mind and spirit have been blessed and refreshed nearly every morning from reading Osteen's online devotional for that day. Each one is a spiritual treasure. After reading it, I copied and pasted it in biblical order onto my laptop. Then, I did my best to summarize the devotional with a "Faith Declaration" statement. These Faith Declaration statements were added to a separate Faith Declarations List and also inserted into the text of my Plain Sense Paraphrase. The list of Faith Declarations serves as an index to my collection of Osteen's devotionals and as instant encouragement whenever I read them.

The Faith Declarations could be separated into several distinct categories, such as:

- A. A GRACE FOUNDATION - trusting in who God is, what He has done, is doing, and will do for me.
- B. GOD'S CHARACTER & ATTRIBUTES - knowing what God is like, and realizing that however God is toward me, He wants me to be toward others.
- C. SPEAKING FAITH OUT LOUD - *[A very good use of these declarations and, by the way, one of the primary purposes and benefits of singing "psalms, hymns, and spiritual songs".]*
- D. A FAITH PERSPECTIVE - trusting in the present for God's future grace.
- E. OBEDIENCE, SELF-CONTROL, SURRENDER - staying in alignment with God

But, after many months of doing so, I finally decided to put all the various jewels into a single chest in biblical order.

This list is what you now hold in your hand.

I look forward to collecting, collating, and summarizing Osteen's devotionals for the rest of my life, or as long as he publishes them. I delight in my daily morning treasure hunt, and I am richly blessed - like one who lifts his hands from a treasure chest of gold and jewels and lets them pour through his fingers - whenever I read through the entire list of Faith Declarations or any portion of it. I trust you will be equally enriched.

"More to be desired are they than gold, yea, than much fine gold!" Psalm 19:10
